Notice to the Market

Partnership between Petrobras Distribuidora S.A. and the State of Espírito Santo

Rio de Janeiro, May 08, 2018

Petrobras Distribuidora S.A. (B3: BRDT3) announces that the Board of Directors approved, at a meeting held on May 7, 2018, the signing of a Conditional Binding Instrument ("Binding Instrument") that will allow the constitution of a mixed-capital company with control of the State of Espírito Santo (ES) and the Company's (BR) participation, which will be the new state gas distribution concessionaire for a period of 25 (twenty five) years.

The Instrument provides a proposal for an agreement that will still be submitted to the Permanent Nucleus of Consensual Methods of Conflict Resolution ('NUPEMEC', in Portuguese), an integral part of the structure of the Court of Justice of the State of Espírito Santo. The new company will need to be approved also in the Legislative Assembly, in a specific law that authorizes the constitution of the mixed-capital company.

Finally, the signing of the aforementioned Instrument is in line with BR's strategic planning regarding this investment and its value addition and also with the optimization of the Company's capital structure.

Other relevant information on the subject will be timely communicated to the market.
