Notice to the Market

Dubai and “Margem Controlada” Operations

Rio de Janeiro, August 1st, 2018.

Petrobras Distribuidora S.A. (B3: BRDT3) informs that, as a result of the investigations carried out by the Federal Police of the Federal District (DF), Brasília, under the name “Operação Dubai”, established on July 12th, 2010, 28 (twenty eight) people were reported yesterday, including one employee and two former employees of the Company (BR).

In addition, the Criminal Court of the Federal District determined the blocking of R\$ 263 million in BR bank accounts as a preventive measure for eventual compensation of the damages caused.

The Company clarifies that it is not a defendant in this criminal proceeding and that is adopting all legal measures available for the release of the blocked amounts.

It is worth mentioning that there are two administrative proceedings in the Administrative Council for Economic Defense (CADE) in which the alleged occurrence of anticompetitive conduct in the market of the DF’s Retail Stations is discussed, as disposed in item 4.3, i, of the BR Reference Form.

Likewise, yesterday, the operation called Controlled Margin (“Margem Controlada”) was launched, in which the alleged undue control of the final fuel price at the City of Curitiba, in the State of Paraná, reseller points is being investigated.

The investigations are classified and on Tuesday (July 31st, 2018) a search and seizure of documents was carried out in its administrative establishment in Curitiba (UNITIBA), as well as BR became aware of the issuance of a temporary arrest warrant for a term of 05 (five) days of three employees.

The constrictive measures also affect other distributors, but BR has not yet obtained access to the investigation, only a copy of the injunction that resulted in the arrest of employees, on the grounds of the need to hear the investigated, as well as obtaining evidence for which the presence of the defendants could create obstacles.

The Company is still analyzing the information recently made available and reaffirms its commitment to keep its shareholders and the market in general duly and timely informed.

Lastly, BR informs that it adopts the best commercial and competitive practices and that its conduct is guided by ethics, transparency and respect for the consumer, requiring the same behavior of its partners and workforce, which undergoes constant corporate training in compliance and conformity.
